## NGF goes International, you too?

Dear NGF-member,

### **Free AFP web-only membership for you exclusively.**

The Dutch Association of Fundraisers (meaning the NGF) has an agreement with the AFP, the Association of Fundraising Professionals. The AFP is by far the largest (30.000+) organisation of fundraisers in the USA. We are very pleased that now our members can sign up, for FREE, as a web-only member of the AFP. The AFP offers a lot of resources to its members and you can use many of them.

A web only-membership means you have access to the member-only section of the AFP-website, can buy books in their bookstore (hundreds of them) for member-rates, attend their meetings (member rate too) and receive their weekly e-newsletter E-Wire.

The member-only section offers thousands of articles on all aspects of fundraising, toolkits, blogs on several issues, reports and research, discussion groups, guidelines, codes and standards and a lot more.
